

Moving vehicles and attachments

To stay safe when using machinery:

Make sure you are visible when
working near machinery

Wear a seatbelt, even if you are
travelling slowly

Never jump on or off a moving vehicle
or attachment

Never ride on the back or side of a
vehicle or attachment

Never ride on a vehicle unless you
are driving it

Reducing workplace harm.

WorkSafe Victoria can help keep you safe at work. If you are worried about your health and safety at work, you can call WorkSafe on **1800 136 089**. You do not have to tell WorkSafe who you are.

For language support, you can call the Translating and Interpreting Service on **13 14 50**.
